“ *Almighty Father, eternal God, hear our prayers for our cousin sherry whom you have called from this life to yourself. Grant our cousin sherry light, happiness, and peace. Let our cousin sherry pass in safety through the gates of death, and live forever with all your saints in the light you promised to Abraham and to all his descendants in faith. Guard our cousin sherry from all harm and on that great day of resurrection and reward raise our cousin sherry up with all your saints. Pardon her sins and give her eternal life in Your Kingdom. We ask this through Christ our Lord. Amen..... We Love You sherry.*

“ We are so sorry that we were not able to make it to Michigan to be with you our family during this great loss. We will truly miss the joy that Sherry shared with us as she visited from house to house when she came to High Point. Though this is a loss to our family, we can have confidence that whatever Sherry was going through, whatever it was she had to endure, she no longer have to contend with the present things. We as her family though can be certain, for Jesus promised at John 5:28 That the hour is coming when all those in the memorial tombs will hear his voice and come out to a resurrection of life. So by means of a resurrection our dear Sherry will be able to stand up to life again! Not to conditions she may have left behind, for God said he will wipe out all tears from our eyes and death will be no more, neither will mourning, nor outcry nor pain be anymore. The former things have passed away. So as we await that time, may Sherry sleep in peace.

With all my love,
Vonda (High Point, NC)

“ We would like to send out a special thank you for all of the love and support that we have received from so many individuals The family would especially like to thank everyone that donated either their time or a financial gift. Everthing and everyone are greatly appreciated. Remember, we too will have to take this trip and that means we need to start packing and getting ourselves prepared. And always remember, God will show us what path to take, but it's up to us take that first step. Jesus is knocking on this families door, but it's up to us to open that door. Much Love and may God bless you.

“ Sherry was not just my cousin, but also my friend. We had a very special relationship and were more like sister's. I am going to miss her very dearly. I was not ready for her to leave me, but I understand that she was tired and know she isn't in anymore pain. So I am trying to be strong. I hope that someday I'll be able to see my friend again, but until then, I will keep all of our fun moments and found memories in my heart and mind. Love your cousin Toot.

“ To my beloved Sister who I love and Miss. Even though you gone you will never be forgotten. God saw you were gettin tried and no cure was to be, So He put His arms around you And Whispered, 'Come to me" With tearful eyes we watched you go And saw you fade away'. Although we loved you dearly We could not make you stay. A golden heart stopped beating Hard working hands at rest. It broke our hearts yet proved to us God only takes the best.

“ Sherry was one of those people you couldn't run into without having a good laugh. Although most times she was very serious she had those around her laughing hysterically. Many times it wasn't what she said, but the way she said it. Sherry (or as her close family members called her "Flavor") was very clever, affectionate, and special to us. She was truly a character. It is unreal to me that you are not here anymore, but the Lord giveth and the Lord taketh away most times without warning. It is not for us to understand, and so we won't. We will be grateful for the special moments we were blessed with, and thankful your soul exists in a place beyond space and time. There you will dwell doing what the lord called upon you to do. I'm so glad we all got to be together one last time a couple of months ago at one of our family gatherings. Who would have known you'd fly so far away? You're a brave bird! Thanks for putting many smiles upon many faces. I love you Flavor!

*Onward and Upward,
Mellow*

“ To The Williams Family-I have known Sherry and Sandy for over 25 years and I know that Sherry was a very nice person with a beautiful personality. To Terrence and Kenya-May the Lord's hands of compassion and love and his guiding light from above, shine down upon you and give you strength during this time of sorrow. It's been years since I last saw you but I want you to remember the good times and the joy and laughter that you shared with your mother. Trust in the Lord. For God will see you through. May the memories be passed on to her grandchildren and have them to understand that "Granny" is gone but never forgotten. May you find comfort in knowing that friends share in your loss.
