“ My condolences to Shirlene's daughters, and extended family. I worked with Shirlene for many years, years ago. She showed me the ropes on what needed to be done for our shift. I will never forget her laugh. When she laughed it was a whole hearty belly laugh. She also could look at you with a serious look, and you never knew if she was joking with you or not. Then she'd crack that smile and start laughing. She will be greatly missed. So glad I got to know her and work with her.
