“ The Agnew family thanks everyone for expressing their sympathy. Shirley is my mother and I am very thankful for the 27 years that she was on earth with me. I will miss her but I know that her spirit is always around me. Last but not least, there is no mother-daughter relationship better or stronger than our's.

“ To James and Kela. There is no words that i could say or anything i could do, to change what GOD'S plan was for our precious Shirley. But I will say that the Lord does not make any mistakes. We all were blessed to have her on this earth plain for 27 years of your life Kela and James. And we have to hold on to the happy times, and know that she completed her work here in the land of the living. Which was the work of the Lord, and she did it very well, with all her heart. Now she is in heaven, and is still working his will, with Our LORD and SAVIOUR. Her spirit will always be with us. And one day we will see each other again, and know that she is at peace, she is also looking down on us with that sweet smile. Please know that I will always be here for you two as long as I have breath in my body. I truly have love in my heart for both of you. Always remember a family that prays together stays together, and by the grace of GOD we all will be alright. We are connected together forever. LOVE YOU VERY MUCH.

“ James,

I am so deeply sorry to hear about Shirley. Yet I know to be absent from the body is to be present with the Lord. I know Shirley is dancing around the throne of God in awe of His presence! I cannot say don't weep or I know how you feel. My heart goes out to you and Kela. I know God to be faithful and that He send people to love on us and encourage us on His behalf. Be strong in the Lord and the power of His might. He understands your loss and the undeniable pain that you are experiencing and will experience, for only He knows how long. God is a Healer and Comforter and James He will comfort you and Kela during the times you will need Him the most. As time pass He will heal your hearts. James I honor you for being a good friend, hard worker, wonderful husband and great father. It's is a blessing to see how God has honored you also with a beautiful wife in Shirley and lovely daughter in Kela (inside and out). Shirley has grace this earth with her presence and shared the love of Christ with all those that God sent her way. Now she is being escorted before the Almighty to receive her reward for being a good and faithful servant. A journey we all must be prepared for and should look forward too. Not to long ago I shared my heart with the Lord about the pain of losing a love one. I believe in my heart His reply was, "It is a beautiful time when we in Christ come home". It is truly a time of celebration and a unspeakable joy for Him! We live life in such a state that we forget to look forward to the day of being with our Creator. We all were born to return to Him. So with an urgency it's important to love, live, laugh and enjoy life to the fullest! So when the time comes for our love ones to be escorted into glory, it will not be a surprise. Yes it will hurt, but we can celebrate thinking of the joy they are experiencing and this joy will lift our hearts as well! God bless and continue to keep you and your love ones in His arms.

Love

“ *James and Kela,
The boys and I are so sorry for your loss. Always remember that we are here for you but most importantly God is always here for you, to comfort you like no one else can. Shirley was a woman that loved the Lord and took pride in her work unto Him. The bible says "Blessed are they that mourn, for they shall be comforted". Remember to pray without ceasing and continue to listen to God, allow Him to direct your paths and he will bring you through. You are in our thoughts and prayers.*
