“ *My dearest mother. it has been 12 years since you've been gone. Words can not express the pain I still feel in my heart. I've learned the pain of loosing a child since you went home to be with the Lord. I wish I understood while you were still here so I could comfort you. I want you to know I am finding my way. Rest in peace. Oh and thanks for the beautiful bench that marks you and Poppe's grave. I am so proud to be your daughter. I love you and I still wish you could dance with y father again. XOXO Your daughter "Theda Bug"*

“ To the Jackson Family , I would like to express my deepest
sympathy to you as a longtime family friend, remembering all the
fun we use to have on 12th & Perkins. Mrs. Jackson was truly a
very nice person, and her memory will be cherished. I know it's
rough right now but try and keep your head held high because we
know the Lord's going to take good care of our loved one.

“ I miss you and I love you. I know that this was part of Gods divine plan and It had to be. I will never foreget all the times that you were there for me and all the long nights that you stayed up with me and cried with me when I was hurting. Now it is my time to cry for you, but these are tears of joy, for you have finally found you way home.

I love you mommy...
