“ Oh my God. I am at a loss for words. Other than just JESUS. First of all, condolences to your families. Shirley and I go all the way back to 4th St. and grade school. That tandem bike we rode on, the pear tree in the backyard we ate from, the after school and daily visits. Even when they moved to BV, we kept in touch. I remember the bridal shower. We worked together briefly at St. Mary's. Whenever I saw her mother, we always talked. This is so hard. All I can say is Thank God for the friendship and time we had. I am praying for all of the family. Lord, hold them up. Give them the peace that surpasses all understanding. God makes no mistakes. Continue to trust and believe in Him, even at this difficult hour.

“ My dear niece, you have took your flight and the universe have embrace you once again. The conscious never dies but return which it came & its form . I see your smile and hear your laughter as you rejoined with the ones before you. Enjoy the real life for you have left the illusion of this world and enter the reality what could not be seen with the natural eyes or heard with the natural ears the beauty of the heavenly's "yes its breath taken". The colors, where gold is pure nothing fake. Enjoy and live forever in the present of GOD not the one man has made up but The GOD of the universe.
