As we remember Chad, Bobby's and Wilson's families are right there beside him, because they also have given the ultimate sacrifice. I just wanted you to know that even though we are dealing with the same pain and emotions we are keeping your family in our hearts and prayers. Bobby will always be remembered by us. “ It saddens our family to see a service person from Saginaw die. I hope that it brings your family some relief knowing that he is a truly a hero. I'm not really sure how I could thank your family for the sacrifice it has made to keep mine safe.

“ We knew Bobby through our cousin Ray Carter who is also serving in Iraq and was in the same platoon as your beloved son. Through talking to Ray via emails and hearing his stories, we felt like we knew Bobby very well! He served his countrymen very well and his honor and memory and love will live on through those cherished memories and through his loved ones each and every day. He will be remembered and missed, but live on in our hearts forevermore! God Bless his family and friends.
