“ There is nothing i can do,
to make him come back
There are no words I can say,
that can replace he words you long to hear

There are no answer's I can give,
that will satisfy your questions
There is not another soul I can introduce you to that will ever
replace his
And, there is no love I can offer that will ever replace the love you
shared

I can not promise your broken heart will ever be complete
I will not say it could have been worse
I will not deny it was a tragedy
I will not lie and tell you he will come back

He never really left

I do promise he hears you when you speak
I will say he loves you no matter the distance
I will not deny he is in a better place
And, I will not lie; he is waiting to greet you someday

He is every you step you take
He is in everything you do
He is the air you breathe
He is every beat of your heart

" He is like the wind. You can not see him...but you will always feel
him"

“ Barretta this is Mrs. Babers and right now I know that it is hard for you but I want you to keep your head high and remember that God is with you through everything. John 14:18 says "I will not leave you comfortless but I will come to you!" So just call on Jesus Christ through your time of sorrow and I want you to know that the family loves you and we are all praying for you. If you need us, please let us know. I love you.
