“ Gonna miss you Stan. The facebook conversations and inboxes. The occasional family gatherings that we had the pleasure of sharing as of lately. You've been a soldier and a fighter, but the time has come for you to rest. No more pain, no more suffering. You have fought the good fight now take your rest and I'll see you "in the morning". Family, be encouraged. Grieving is natural, just remember that after every dark night comes the dawn of a new day. And be assured that even though I will not be able to be there in the flesh my thoughts and prayers will be with you all the way throughout these troubled and trying times. God Bless.
