“ I’m very saddened to hear that a close friend of mine has passed.he and I talked at least once or twice a week on a regular basis during his sickness he kept me posted on his illness. He was checking on me because he hadn’t seen me at the church because he lived around the corner from the church. During that time period he was doing okay if I was at the church he would always stop and talk with myself and Pastor Roy Manning if he was around. I knew Steve for at least 65 years . He loved people and served this community well. A great cook. He always told me that he wanted me to speak at his Homegoing if he go before me and if I go before him he would speak at my Homegoing. He turned me on to barbecue neck bones which I had never heard of. I’m say to the family and children and friends do to my recovering from my health issue i won’t be able to attend. To be absent from the body is to be present with the lord.praying for family and extended families. Mr.Terry and Denise Triplett & family
