“ God Bless the family of Steve as you go through this difficult time. I grew up with Steve and worked with him at GMAC. We took turns treating each other to Red Lobster once a month. I always like when it was his turn because he would pick me up in his Baby Blue Corvette. That is when we found out that we both like Bleu Cheese and French dressing on our salad. Steve my Buddy, you will be truly missed by your African/American friend. He use to tease me about being a light skin African. I always cherished our friendship. Use that Beautiful Gift of a Voice for Jesus now my Friend.
