“ *Evelyn, Kim, Tami, Angie, Valerie, and Tracy —it feels like yesterday that we were playing in the front yard or helping Aunt Susie pick greens out of the garden. I miss her already! Our last conversation was four hours long sharing memories and laughing. Today, know that my heart is with you all as you celebrate the decades of joy that Aunt Susie has brought so many. Our comfort is knowing Aunt Susie’s passing this week is her transitioning to glory. We will see her again! Love you!*

“ *Susie will always be my sister-in-law. Even after moving out of state, we continued to talk. I visited her whenever I came into town and she was always in great spirits. Susie always made me and my children feel special. Susie and my Mother often went fishing together and sat on the riverbank for hours. After my Mother passed, Susie and my Dad maintained a very special relationship. She never failed to check in on “Mr. Jones.” She was a special part of the Jones family. We have so many great memories to cherish. To the Brodus/ Mathis family: Thank you for sharing your Mother with us.*
