“ *Sylvia (Lily which we called her) was a close cousin. We hung out when we were kids. We would sneak into the tomato garden to get tomatoes to eat. Her dad (my uncle) would always somehow know we were in it and would yell at us to get out of the garden and leave the tomatoes alone. We would each grab one, wash it off and eat it behind the garage. I had my first sip of beer when she got one and we went behind the garage. (It seems that was our spot.) We had great times together and talked a lot about things. She was special and would have me laughing all the time. We spent a lot of time together. I hadn't seen her in a while. It saddens me to hear about her passing.*

My condolences to her family. She is now at rest without pain. May God continue to give you His peace during your time of grieving. I pray His Love will comfort and strengthen you.
