“ *Takira, Takira, Takira. Where do I START. We grew up in church together, hung out together. Moved to Ohio then back to Michigan and became roommates. We threw the best card parties lol. Who would have thought our time would be short. I love you and miss you. I can't be mean to you and poke you lol. You'd give me that look like "Stop". TK girl you placed your footprint on this earth and your legacy will live on. You woke us up with this one! We will reflect and move differently now that your presence isn't physical. Memories and pictures forever! So many memories and i'll cherish them. Rest easy my love,*
