“We the neighbors on the block would like to offer our heartfelt prayers and sympathy for the family. Tammy was a good person and she will be missed. We just think that it is a shame that her husband Nick has already been seen with several women including his ex and she has not even been buried yet. Thank God Tammy is not here to see this mess and she will not have to put up with that anymore. I just wish the family the best and I pray that everything works out alright. She does not have to worry or suffer anymore. Be blessed!

“ Words can't express how I feel about Tammy's being gone. But we must remember that everything is all in Gods timing. I remember talkn to her alittle over a year ago. I still can see that wonder smile she had eventhough she was not feeling her best. But she's resting now. She's at peace. To all that had a part in Tammy's life, I will keep you all in prayer. And only God can help us through this rough time. Love Katrina Williams.
