Tania Denise Sowell-Burns departed this life suddenly of a heart attack on May 18, 2019 at the age of 53. She suffered for many years with the disease called Sarcoidosis. Tania was affectionately known as "Weasel". She was the daughter of the late Vernon E. Sowell and Bobbie Jean Sowell Bufford. She was born November 26, 1965 in Saginaw, Michigan.

“ We were saddened to read about Tania’s passing. May the many treasured memories sustain you during this most difficult time. We pray that you find comfort in our Creator’s promises to reunite us with our beloved ones again, in a world where the causes of pain and sorrow will be a thing of the past. How exciting it will be to see her again doing all the things she loved. Forever find comfort reading Isaiah 25:8, which promises that our tears of mourning will end when death is done away with. Our sincerest condolences to the Family.
