“ My heart goes out to the Curry family. You are all in my prayers. I met Tekisha at Webber Middle. I would see her from time to time, and she always had a big smile on her face. One of those smiles that you will never forget. Although the Lord has called her home, she will always remain within your hearts. Please be encouraged, and trust that God will guide you, comfort you and be your strength.

“ I knew Kisha from back in the day we use to hang out, that was some time ago. I hadn't seen her in years until one day last year when she was going through the pain of losing her fiance. She expressed her feelings and I listened that's what friends are for. She will be missed by all that knew her but look to the Lord and you shall find strength in Him to go on day to day May God bless her children and keep them safe.
