“ A Great Uncle and Friend will be truly missed. I am very sorry this happened but GOD is and GOD will!
Terry took care of me and my son (Jay) helping in anyway he could. He was very proud of his first nephew. I still have a message on my phone from 11-21-07 hours before he left us, we did talk almost daily. He is gone but will not be forgotten. To the Family focus on the great things Terry has done in our lives.
We will make it! God got this!

“ Alice & Jim,

My deepest condolences. I keep thinking about all of the time Terry, Brenda, Steve and I spent watching Purple Rain hanging out and playing cards. The other day I heard a christmas song by Alexander ONeal and immediately thought of Terry because he had the casset and played it over and over one Christmas. I will keep your family (especially BaeBro and Corey) in my prayers.

“ To the entire Holliday Family,(Doc, Alice, Baebra, Cory, and Renee'),
It truly saddens me to hear about Terry's pasting on thanksgiving morning. Terry was someone that I was use to seeing at least a couple times a week and I had just seen him a few days before. We grew up together and besides share a lot of laughs together we also shared the same birthday and when we would see each other at that time we would wish each other a " happy birthday " I will always remember those times. Terry was truly a friend and he will be missed by us all. I recall all those day's just playing in our neighborhood or in Sunday school at church, also singing in the little choir at church. To the Dobsons, Franks, and Hall Family's may God be your strength in this difficult time in your live, this has affected everyone of us that knew and love your family. God Bless
