“ With great sadness i send my most sincere condolences to the Williams family. We all go way back to 3rd and Washington (The 50's & 60's). I have so many pleasant memories of Terry during our childhoods. To the family, be strong and lean on the Lord. I am praying for your peace and understanding related to this senseless tragedy. Terry may be gone from our physical presence but he will live forever in our memories. R.I.P. Brother Terry and we'll see you "In the morning".

“ To the Williams Family: I send my deepest sympathy and condolences to you all. May I go on record as one whose grateful for having had Terry as one of my oldest and dearest friends. He was a well dressed, kind and such a gentleman. We all grew older and went our separate way. Life is time of changing courses, changing moods, pathways, values from beginning to its end, newer courses and better friends. ("JESUS".) No day is quite the same. It's how we face the challenge, whatever it may be. Tomorrow may bring us sorrow or care, for things can happen anywhere. "GOD BLESS" Terry Draper and the Williams Family. Thanks for the memories my friend.

“ It's hard to rationalize the depth of my emotions. I met Terry in the 7th grade at Central Jr. High. I can remember spending some days at Terry's house in the kitchen talking to Mrs. Williams. He, Michael Berkley, Thorner Pruitt, Anthony Prince, Doug Liddell and myself would always be around each other. From playing basketball at Vet's Park to Civitan Center. We played four square at Houghton school together. Wow, down through the years we remained friends. When I ran for City Council in 2012 Terry came by and asked for some signs to take and place them in the neighborhood. I really appreciated the friendship. To the Williams family I am praying with you and for your comfort. Dr. Willie F. Casey-Pastor at New Hope Baptist Church.

Terry and I go back to the days of Heavenrich Elementary, back to the days when Knuckles slapped Mr. Zawacki,remember(HAHAHA) ? “ To the Williams' family, may God give you the strength to endure the loss of your family member. I've know Terry since the Central Junior High days. He was always the coolest and shortest guy in the group. Everyone loved Terry all the way through to graduation with the Class of "72" at Saginaw High! May God bless you all and keep you through this storm.

Devastating. Terry could charm, entertain and make you feel special and included. Dapper, cool, intelligent, Terry was always great whenever you saw him. He had a big voice, presence and he walked his own walk, demonstrating maturity very early in life. Terry was just a one of a kind brother and his absence is unkind. I can't express the sadness I feel personally but I can extend my love and compassion to Terry's brothers Warren, Erskine and to his sisters, family members and friend. What a loss but what a tremendous spirit in life. Terry will always be Terry.
