It was just a few weeks ago that we talk for over an hour and so many memories we share through the years from working on your boys cars to working together at The Plant we develop a friendship that lasted through the years and I we will miss you Tom I know that you made it and the Angels are rejoicing in Heaven as soon as you stepped in, I know that I will join you someday as a brother in Christ Jesus. Thank you Tom for the memories and the friendship We both enjoyed all them years. Peace Brother, Your Buddy Dan
