“ When we lose someone we love
The loss seems too great to bear
God sends us friends to comfort us
To show that He deeply cares

*But in the dark hours of the night
When there's nobody else around
When we feel the saddest and loneliest
It's there God's love can be found*

*It's like a soothing, healing balm
To soothe our broken hearts
The healing oil poured over us
That flows into every part*

*We can rest secure in God's love
And know He's by our side
He holds us when we feel as though
A part of us has died*

*We can know that God will listen
When we just want to talk
And when we feel we need to cry
We can share it with the Lord*

*For He is always waiting there
Ready with arms open wide
As we pour out the hurt within
He pours His love inside*

*Our Father above loves us so much
And will never leave us alone
He will not forsake us in our need
To face this on our own*

He comforts us and strengthens us

*And rubs us with His balm
And as the dawn breaks through the night
We'll awake in His loving arms*
