“ This is breaking my heart. I called to see how Tommy was doing as I do every now an then just to not hear his greeting on the phone. I knew something was wrong. Then I tried looking him up and discovered my Tommy I would not be hearing from again. I would just like to send my condolence to his family. He was the best Praise the Lord as he would say. You will be missed my friend. Sending love from Karen, Starr and Skye.

“ Hey Mr. Tommy just finished watching your service with my daughter Dionne. A beautiful service for a funny, beautiful, and God fearing man. I will never forget the many conversations we had about the bible. The many back in forth conversation during our jitney trips of you saying "Girl when you going to get your liscense?" "Im tired of driving you!". This year I finally gave in and you started to give me lessons in the last month and stopped because you weren't feeling good. I remember the first lesson I was so tired and hot and you stated we weren't leaving until my parallel parking was smooth! Then you had me double parking backwards and I asked why are we doing this? Your response was Looky here, you never know if you have to drive backwards in a earthquake! Lol my daughter and I laughed! My daughter and I could relate to so many stories told in your service. All your punch lines such as Looky here, Later, Praise God, This is Tommy when you answer the phone. Also when my daughter showed you her paintings you gave her advise on art. I'm gonna miss ordering teas and herbs from Amazon for you and getting the spring water from the Dollar General. Going to miss sharing the salmon patties when I make them with you or my brother making the soup you like. You will truly be missed. We appreciate your stories and always being able to count on you when needed.

Thank you,
