“ *Tondra, oh my where do I begin. To see this is unreal. I don't have the words. I keep looking and reading and I just can't believe this. You were the sweetest young lady I had encountered at our first year at Arthur Hill. We never had a bad time nor disagreement. I met your Grandmother, and cousin and that was family there. The world is definitely an emptier place without you. I will pray for your entire family as this is a great loss, may God give them peace and strength during this time. Friends forever!*
