“ To Cynthia and Ms. Harrold, I am sorry about the lost of Tony. I can only imagine what you two are experiencing. Tony was a great friend, like a brother in many respects. My mom used to joke she thought Tony would be moving in, for we hung out so much during our time at BV. My Grandmother remembered Tony as "that well mannered boy that used to fall asleep on her couch."

My thoughts and my prayers go out to you. I am missing Tony already, as I know you are now. I pray we all may be able to remember the fun, humor, laughter, and love Tony brought in our lives.

My mom, brother, and I offer our condolences. Cynthia (Sis) and Moma Harrold I pray God's comfort and strength will be with you.

“ To the family of Toney...
I am praying for you dearly for comfort in your time of grief. Tony was such a special friend of mine and so was Cynthia. We were special school mates as well as "awesome" band mates! I remember joking with Toney and calling him "little sumo man" because he would give you these incredibly tight hugs! I think that he should have been a chiropractor! He was so talent and sweet and unbelievably strong!

To Cynthia...

I love you girl! You have always been strong and sweet and giving. Stay strong because right now your family needs your strength.

Toney would want it no other way but to see you smile.

We have so many memories that I will cherish for the rest of my life.

I love you Toney and will miss you dearly!

“ To Ms. Harrold and Family: My deepest condolences and prayers go out to you and your family. Toney was special to me and will forever hold a special place in my heart. It seems like just yesterday we were performing at halftime and he was swinging that Tuba like no other, or the time when he sang "Love and Happiness," and had the crowd going wild. I could go on and on because there was never a dull moment with Toney around. He was a very talented individual and not only was he talented but he was also very loving and protective of those around him. His presence will forever be missed.

With all my Love,
Courtney P.

“ Cynthia, Pam, Nesha, and family;

I am truly sorry about your loss. The emptiness that is felt after the loss of a loved one is undescrivable. The only person that can help you through this is God. Call on him and he will carry you through the pain, the hurt, the sorrow, the days when you feel like you can go on no longer, God will pull you through. Just know that Tony is in that heavenly place and has no more worries. I will Pray for you to have strength, and faith through your time of need.

“ I guess the Lord works in mysterious ways. I really can't believe that Tony is gone. We went way back to Claytor, and that was a long time ago. Tony indeed was the life of the party, he was a crazy dude and always had us laughing. He was also one of my first boyfriends in elementary. I will definitely miss him very much and hold a place in my heart for him, Cynthia, and Ms. Harrold.

“ I met Toney when he was 5 years old. I will always remember the beautiful smile he had on his face. He was so talented and smart. He always wanted to help while his mother was working . So we always found something for him to do.
I remember the summer I took him "Up North". That was quite an adventure. We stayed in a rustic cabin, visited Hartwick Pines, fished, swam had a great time, but he insisted on ironing his jeans so he would have his famous crease in his pants. I will never forget that fun experience.
Pam and Cynthia my heart is breaking for you both. I will see you soon. I feel so sad as he was another one of my "kids". I loved him so much. He loved his mother and sister.
I will never forget the Democrat, Republican story. He knew he had it all! May God Bless you !

“ To the Harrold Family, Toney will be truly missed. It's about God's love given and all his love that he has claimed. It's about trading in your sorrow for a better tomorrow. Lean not your own understanding, but rejoice for the years God has allowed Toney to have on this earth. Turn and Trust in God for all your needs. He is the answer. Cynthia and Mama Harrold Be encouraged!
