“ Hey Tony. We will miss your guidance for our 50th BV Reunion this year. You always showed us the way every 5 years. Well. I gotta believe you can still deliver a sign or message somehow so we know we are on the right track this year. As long as I've known you Tony you were always on the right track helping everyone as needed. We all will surely miss your excitement in life. Will catch up to ya one of these days. Keep smiling my friend. I can still see your lasting smile and that shiny car you have. We somehow will get by without you. But. You better send us a sign now and then so we know it's all good.

“ We go a long way back. The class of 72. I can't remember if it was Highland Park Elementary or Ricker Jr. High but Tony was always "that guy" whom everyone loved and had fun with. I moved from Saginaw in 1984 and last saw Tony during a class reunion that flowed over to his house. He'll always be remembered in my heart as a beloved Knight 🕊️🙏
