“ Rest in peace and may God look over you and your grieving family.

*No farwell words were spoken, no time to say goodbye, you were gone before we knew it, and only God knows why .
Our hearts still ache in sadness and secret tears still will flow, what it meant to lose someone like you no one can ever know.
Since you'll never be forgotte, we pledge to you a hollow place within out hearts is where you'll always stay.*

“ To Joe and Ora, I send my prayers to you and your family, may God be with you in this time of need. To (tasha) and the rest of the siblings just stay close and look out for each other. You guys are all each other have. I knew tristen ,but I don't think he knew just how much I knew about him from quay. He would always compare somebody to tristen , I can still hear him now"te-te tristan play baseball", "te-te you can't play the game better then tristan". So I say to the whole family just stick by each other and we will continue to pray for you.
