“ I didn't know this young man or his family but my condolences goes out to his parents and extended families, if he was on the Bridgeport Basketball Team I probably saw him play because I was at most of the Home Games, hate to see our young men today dying or being killed. My thoughts and prayers are with y'all.

If a high school student was murdered during his purchasing of a firearm the court should take in consideration that the accused might've saved other students lives and prevented yet another school shooting done by the deceased.

“ *Gone WAY to soon cousin! I watched you grow up from afar. Whenever I would come home I was astonished at how much you grew. Time flies and I'm so sorry yours was cut short. The last time I saw you was at the family reunion. Not even a year ago. My fondest memory will be of you, your dad and me going to the mall and you putting me on which sneakers to cop. Wearing those shoes will hit different now. Love you cousin. Rest well.*
