“ *I will miss her beautiful smile and the way she would say hey Nana. Sometimes with a smile or chuckle and sometimes with attitude. So glad you came into my life, wish we had more time.* ❤️❤️❤️❤️

“ My condolences to the families of Tzekova. I had the pleasure of being her leader at Morley. She was more than an exceptional employee; she was truly a beacon of kindness, and integrity. Her unwavering commitment and cheerful spirit touched everyone she worked with and her memory will forever be cherished.

*Personally, I will always remember her infectious laughter, the way she could brighten even the toughest days and her artistic skills!
Rest in peace, Tzekova. Fly High!*

“ Praying for the family and friends of TzeKova. May God give you supernatural strength during this time. I met TzeKova at the International Academy of Saginaw while working as the Student Management Coordinator. I never forgot her over the years and she obviously never forgot me because when I ran into her while she was working as a manager at Rue 21, she said “Ms. Hulett, do you remember me?” My response was TzeKova I could never forgot you because you made me work for my money and we both laughed. She told me she had a son and seemed so proud to be a mom as she was showing me pictures of him. The day we talked happened to be National Hiring Day and I had my 16 year old son with me. TzeKova not only assisted him with filling out the application, but she hired him on the spot. He was able to get to know her as well and told me that she recently followed him on social media. Thank you so much TzeKova for giving my son a chance! We will never forget you!

God Bless & Much Love!

“ Truly a sweetheart! She meant what she said and was just a beautiful person. If she didn't hear from you she would randomly just pop up to your house. Going to miss her

“ *May you all find comfort and strength with the memories that you have with Kova. She was a sweet young lady. I'm glad I got the pleasure of meeting her while she attended Bridgeport with my son.*
