“ *To the Family of Mrs. Velma Bell:*

I am a former Houghton School Student of Mrs. Bell and I am so sorry to hear of her transition. She was my 3rd grade teacher and I loved her so much. I would see her in the grocery stores or at church activities which I made it a point of letting her know that her student remembered her and she always remembered me. I thank God for teachers like her, there are not many teachers today of her quality and care for students. To the family - you have my sympathy and my prayers. May you find strength in the memories that you share of her. I know that I will. May God bless and keep each of you.

*Humbly Submitted,
Ms. Sylvia L. George

“ Every now and then, I would see Mrs. Bell and it would remind me of the good times I had as A student at Paul L. Koeltzow Elementary School. She cared about her students and taught us about life as well as education. I still remember the delicious Pound Cake she gave us as a treat.

May fond memories of Mrs. Bell be a comfort to her friends and family in their time of need.

“ Mrs Bell, was one of my favorite elementary teachers that I ever had the pleasure of knowing. I was a teachers pet to her and loved her dearly she left a hand print on my heart and would like everyone to know that it sadden me to hear of her death and over the course of my adult years I had hoped to run into her shopping or somewhere to just say hello and tell her how special she was to me as a student in her class. I seen her only once and was happy to see her and never got the chance to see her again but she spoke of her son and how he liked to play basketball. I thought she was so proud of her son and was close to him just by the way she spoke of him so often. Im sure she will be missed cuz she was definetly a beautiful person. God rest her lovely soul as she enters into eternal peace. I am sorry for your loss but it is heavens gain. Sincerly Belinda C Neitzelt.

“ I was so blessed to have the oppotunity to have a woman like Ms. Bell as a part of my life. She was like another grandmother to me. Her grandduaghter, Sharice, and I are best friends and met when we were still attending Holy Cross. I remember the summer days when I would go visit Ms. Bell and Sharice, and how every Sunday if we were at Ms. Bell's we had to go to church and were a skirt! Ms. Bell made me feel welcome in her home and part of her family. She made me appreciate my own grandparents more because of the relationship that I witnessed that Sharice and her had. She was such a loving ang giving woman and no one will replace her in our hearts. I hate that I can't be there for Sharice and the Bell family, but I am with you all in spirit and my love goes out to you. My prays are with you.

“ Kristina and the Bell family, I am so sorry for your loss. Although I never met Ms. Bell, Kristina often spoke about her. I just saw Kristina about a week ago at the store and she said she was taking care of Ms. Bell during her illness, I could tell Kristina took great pride in helping with her care. Knowing Kristina she made sure everything was done properly she is a very caring caregiver so be rest assured she was in good hands.

My prayers are with you during this difficult time. Just know she truly is in a better place.

God Bless you.
