“ My family and I offer out sincere condolences to you and family and would like you to know that we share your loss. Your Mother, Sister, Aun, and Grandmother was like a sister to me. We would often share intimate conversations on the telephone and at church. She was my prayer partner and friend. We cried together as well as rejoiced together. She was truly a wonderful friend (sister) of mine. She will be missed dearly. May God give you comfort in knowing that her suffering and sorrow is no more. She has gone home to receive her reward. Some individuals are placed in our lives for but a season to enhance it and Vern is one of those individuals. May God comfort your hearts and minds during these days, months, and years ahead.
