“ As we didn't get a chance to see Victor as a grown man. I have heard that he turned out to be a fine young man. I wish that we had kept in touch with the family.

Vicky, even if you live out-of-town you can still keep in touch. I will miss that smile he had for everyone when he was a little boy.

My love goes out to you and will keep you in my prayers.

“ **NEPHEWS**
Nephews are like sons, and they are very dear to the hearts of their uncles. My heart is sadden by what seems to be your premature departure, however, the Lord God, in His infinite wisdom, knows exactly why it should be thus. Though God has called your spirit to enter thru the portals of eternity, He has left us with many wonderful memories of your smiling face to cherish. I loved you as child, I loved you even more as a young man, and though you have entered into eternity your UNCLE yet loves you.

“ Vicky, I am not sure if you remember me, but that's okay.....Just remember these words....."GOD IS ABLE TO DO ALL THINGS." I am praying for you and your family. I didn't know your son, but I did know you to be a very nice and respectful person. I am sure you raised him to be the same. Be encouraged and look to the Lord for your strength.

“ I am deeply saddened by the sudden lost of a great friend. I have been friends with Victor since he was 12 years old and he remained the same loving, and caring person that he was as a child. He will be truly missed by everyone. My thoughts and prayers go out to the entire family during this difficult time.
