“ *To Vanesta & Olivia,*

My fondest memories of Vincent are the times that he would be looking out of his bedroom window when I would be taking my walk down Outer Drive. His bedroom was on the front of the house at that time and I would not even see him in the window but I would always hear him say say "hi Mrs. O'Daniels" and I would say hi to him. Whenever I saw him in the grocery store he would always speak. He never forgot my name. Vincent was very special. He was unique in his own way.

“ Olivia and Vanesta it is times like this that God carries you. God knows your pain and eventually will wipe away all your tears. I will always remember the fun loving times that we had with Vicent. I'm still astonished by his gift to remember events, birthdays (especially mine), addresses and occasions as well as he could. Know that I am here for and with you. Love you much. Gloria.
