“ I really liked when I worked with Wanda at NBD bank so many years ago. Most of all I will miss her smile and the hug she would give me when she seen me. She always made me feel like she was so glad to see me. I'm sure when it will be my turn to go to heaven she will be there with that smile and ready to welcome me. I hope God will give you comfort at this time and I know how much she loved her husband and family. She loved to tell me all about them when I seen her. Kim Fischer
