“ I will miss Wendell and his positive attitude and joking manner. Wendell always called me "Ms Tammy". Wendell never complained when you needed something from the kitchen. One Halloween I was in disguise with a costume and Wendell didn't know who I was and months later would joke with me and remind me of what a good costume that was and would joke about the next Halloween and what I would dress like. I still can't comprehend that I won't see Wendell at work anymore. Tabitha please don't hesitate to call or stop by the floor if you want to talk. You are in my thoughts. Tammy Donlan

“ Hurt and Angry while sorting through emotions....it's times like these I realize how selfish I can be because I'd rather have you here than gone. Always enjoyed our talks, visiting you and building upon the many memories WE had. Your impact in my life was huge, same as with Rita and Wayne. I learned how to be "Cool" and what it was through your influence with early rap, and I'm sure we both agree that rappers getting away from the days of wearing tight leather pants was a good thing.

I am upset with you and it may not be warranted or my maturation is being tested, but I love you without knowing how, or when, or from where. I love you straightforwardly, without complexities or pride; so I love you because I know no other way.

Be with Granny and watch over us all.

“ Dear Petty Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

“ *Tabitha, I am sorry for your loss..I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. As you go back to your everyday routine lean on family and friends for support and always remember.....When someone you love becomes a memory, the memory becomes a treasure.*
