“ Good people will be remebered as a blessing, but the wicked will soon be forgotten...

*Always remember to forget
The things that made you sad.
But never forget to remember
The things that made you glad.*

*Always remember to forget
The friends that proved to be untrue.
But don't forget to remember
Those that have stuck by you.*

*Always remember to forget
The troubles that have passed away.
But never forget to remember
The blessings that come each day..*

"We will lift you daily in our prayers"
