“ My family condolences goes out to Mr. Flounoy family. I was very saddened to here of him passing. Will was a good friend, as well as a brother. When you needed him, he was there. One of the best mechanics, I mean the best! I I’m going to miss him stopping by and saying, I was coming by to check on you, to see how you were doing. I would always say, thanks my brother. That is one thing I’m going to miss, as well when someone needed help with their car, we will call “Will” He would make it possible to get the job done. We all loved Will, but the lord loved him more. Will was very humble and helping others when he could. God saw how wonderful he was here on earth, he decided to call him home to help him. Will has earned his “Wings,” and flying high. We will continue to keep this Son, Grandson, Family and Midnight(his dog who he loved) in are prayers. May God give you all the faith and the strength to get through this difficult time. God Bless!
