“ *Beloved Uncle, I will miss you dearly. I still can't believe it, but I'm dealing. Regardless of how much time passed that we didn't see, or speak to one another, you were always there for every important moment of my life applauding and being supportive. I remember one fourth of July I was outside lighting fireworks by myself, and set the grass on fire. You pulled up right in the nick of time. You hopped out, took off your shoe, and beat the fire out. Who knows what would've happened had you not showed up. I remember you in your fly Trans Am, and always being laid back. It is with much love, joy, and sadness that I am writing this memory; however, I am TRULY happy that I was able to see you a couple of times over the last year. Because of that my heart can rest easy, and I can also rest easy knowing you are in a better place. I will always love you, and want you to rest assure that your memory will be cherished. Love always, your neice, Marlana Alexander (Newton)*
