“ William cal reed was my grandfather I miss him dearly his laugh his smile his jokes and his like green suit. My grandfather was a very very good man if you needed him he was there it's been a couple of months since his death and it's still the hardest thing I've dealt with it always will be, because no other person will compare to him, I won't get my birthday calls with his silly jokes from him. I would give anything to hear his voice again. Thank you to anyone whom have sent condolences and flowers and cards we as the reed family truly appreciate it

“ *Reed family you are in my thoughts and prayers. I'm sending my deepest condolences to you all.*

I met Mr. Reed 2015-16 at Delta College had to get up and speak about my journey to college and I stated I came here because my two daughters thought it would be fun to go to college together, I continued by saying I couldn't believe at my age I'm just attempting this Associates degree.

When I took my seat Mr. Reed leaned over and said you must not have seen me sitting back here at my age. We laughed and talked after class and that's when I found out he was my classmate Terry Reed dad. He was one of the reason I have this Master's degree, he insisted that I go farther than a Associate degree. Rest on Mr. Reed you will be missed.
