“ *Happy Heavenly Birthday Daddy! so many regrets the main one is that I didn't look for you sooner and didn't find you before it was to late my last memory was when you and uncle Bayco came to Danville so you could visit us you gave me piggy back rides and you and mommy was hugging and crying so much then you got in your green car and left then you backed up and jumped out of the car and you and she just kept holding on to each other and crying but she never told me why or did she like to talk about you she just said your daddy had his own issues and didn't want it to hurt us Now so much of my life will be missing I'm all grown up but I still like I that little girl getting a piggy back ride my heart is heavy but I ve always love you and thought of you.
