“ Dad, what do I do now?

*You came into my life
and made my mother your wife
Filled the shoes as the head
Gained my trust with no hesitation said*

Dad, what do I do now?

*You swept me off my feet,
heart to heart surgery
we made it through without defeat
At that moment I became your daughter,
baby Jean, baby girl,
born a second time in this world*

Daddy what do I do now?

*You made me feel protected and safe
Not a worry in the world that filled my space
Oh daddy, you made it look so easy
to love me as your own.
Now that I am grown
it takes a real, selfless man to love and defend
a blended family to the end*

Daddy, I know what to do now

*I have learned from the things you have taught
I will keep the memories you gave me in my heart
A Strong Man, A Provider, A Protector
I will continue to play this, on my life's projector
This is tattooed in my heart
My Daddy, forever and for always in spirit and never apart*

I love you Daddy and you will be missed
