“❤️❤️❤️ *It's 2022 & I'm still missing you like crazy, My Beautiful Grandmother & Mother to me all my life. MaDear You will always live inside of me because deep down in my soul all of the values that you stored in me will always be alive & remain a constant reminder to me what you stood for. The values that you had as Woman Of God, A Mother, Grandmother, Wife, Sister, Aunt, & Friend will never be forgotten. You taught me how to drive at only 12 years of age & took your time with me until I learned, I thank you Madear. You taught me family values & principles. You were one amazing cook, & you spoiled me, that's why when I got grown & moved out I never forgot you or all that you did for me. I showed you love ❤️ & gave you your flowers 🌸 while you were in good health and still on earth & even though I'm still hurting 16 years later, I'm Elated knowing that I always put a smile on your face. Oh how I wish that I could have some of your pinto beans, homemade cornbread, & fried chicken right now ! I know that you & Daddy are enjoying each other & enjoying Heaven right now, I truly miss the both of you dearly. I have so many memories of you & our good times together and I can't wait to get to Heaven so that I can see you & run into your arms and hug you and tell you that I love you once again. I LOVE YOU FOREVER & EVER MaDear, my sweet & lovely Grandmother 🙏🙏🙏🌸❤️❤️❤️*

“ *Dear family,*

We are saddened to hear of the loss of our dear aunt. Our thoughts and prayers are with you during this difficult time. Please know that we are here for you always.

"A life is like a song we write in our own tone and key. Each life we touch reflects a note that forms the melody. We choose the theme and chorus of the song to bear our name, and each will have a special sound, no two can be the same. So when someone we love departs, in memory we find their song plays on within the hearts of those they left behind."

May beautiful memories give you comfort and strength during these difficult hours.

We love you, The Richmond & Miles Family

My Prays go out to you and remember If You Can Look Up, You Can Get Up! Stand faithful and know that God Is God. And joy comes in the morning. I enjoy hugging Mother every Sunday & Wednesday. Everytime I look or put the outfit on we have a like I will think of her. And the talks we had outside after service.
