“ I met Squeak through a friend, he always welcome me into his home. He would always treat me with the up most respect. I used to pic up his children for church before I even knew who their father was, he truley adored his children. To the children hold on to one another and God will see you through this. And to Kenny, keep your brother's love deep in your spirit and you will always have him there. Think about all the time you guys would play bones and sit there and talk stuff. There is nothing like a brothers love

“ God saw you getting tired, When a cure was not to be. So He wrapped his arms around you, and whispered, "Come to me". You didn't deserve what you went through, So He gave you rest. God's garden must be beautiful, He only takes the best. R.I.P. Squeaky.
