“ Dear Woody's family,

When I saw that Woody had passed, so many memories came back to me. I was the Nurse at the Malleable and remember many talks/times we shared. His pride in his family, his job and the work he did for the people he represented was very real for him. His courage & commitment to do the "right" thing, even when the decisions weren't always what the "majority" wanted were brave and sincere. He told me once that the real treasures in his life were the people that he loved. He was my friend, an extraordinary Man. I know he is in heaven, Safely Home, waiting for all of you. Great picture, he was always smiling.

*Love & Prayers Always,

“ *Dear Hooker Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress.(Psalms83:18,Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)*
