“ Just a message to all the members of the Shaw family. I am thinking of you and saying special prayers for strength in your time of need. Yolanda was a wonderful and caring mother. I am honored to have gotten to know her. My church has been praying for your family as well as my family and friends in Minnesota. I will be in Michigan to see all of you soon. Until then keep your heads up and know that Yolanda is now out of pain and able to be with Andrik. I love you all!

“ Dear Amariye, I am so sad for you because you lost your mom. I will pray for you and hope to meet you some day. Please remember what I said to you the day you were in Mrs. Lewis' car...that was me on the phone...your mom is always with you. Watch for her and listen for her. She will let you know that she is all right and that you will be all right too. Please take good care of yourself and know that I am here for you if you need me. Love, Pastor Jan (from Oak Park)

“ *I will miss you Posie. We had so much fun together. I will miss the jokes,telling each other secrets and the long phone conversations. I will most of all miss your face. We use to have disagreements but the good always out weighed the bad. I have so many memories and I will never forget them. The only thing that keeps me focus is two things,knowing that one day I will see you again and that you are no longer in pain. I Love you and send you hugs and kisses, Forever your sister Nae-Nae.*
