“ With sincere condolences to you and your family Greg. Your mom had a beautiful spirit and warm heart. She was so dearly. I believe people would drive down 25th street just to see how creative and beautiful her yard was. God blessed you with wonderful parents. May you find comfort in her precious memory...God Bless.

“ We're so sorry for your loss...Martha and Greg! We the Petty's want you guys to know that you were the BEST neighbors... Your mother represented class, style and she was admired (Virg had a crush on her). She has earned her much deserved wings and is now resting in the arms of the Lord.... If Virgil was here I'm quite sure he would share many pleasant memories about each of you. Martha was their babysitter (Bless her heart!), Virgil would have shared many stories about your parents, Mitch and Greg, as well... Keeping us all in stitches...May your family find strength...It was an honor to know your mother and your family....Our sincere Condolences....
